

June 2024 Presbits

Grimes First Presbyterian Church

*For I tell you, unless your righteousness exceeds that of the scribes and Pharisees,
you will never enter the kingdom of heaven.*

Matthew 5:20

Dear Community and Friends of First Presbyterian Church of Grimes,

Last month we looked at Jesus' description of his disciples near the beginning of the Sermon on the Mount - "You are the salt of the earth...You are the light of the world" (Matthew 13-14). Notice, he doesn't tell the disciples *to be* the salt and *to be* the light. He says *you are* the salt. *You are* the light. It is a declaration. It is our identity. If we are followers - learners - of Jesus, then we will impact the world around us. In last month's newsletter I stole a line from Leif Enger's novel, *I Cheerfully Refuse*, to summarize what Jesus is saying: we are to "better the world by being in it."

In the next section of the Sermon, Jesus explains how we go about bettering the world. He says our righteousness is to exceed that of the scribes and the Pharisees. Those are three words we don't normally use in everyday conversation. Righteousness. Scribes. And Pharisees. So, let's get some definitions so we can better understand what Jesus is talking about.

Righteousness - is living in right relationships with others; first with God and also with other people. In Matthew 5:20, Jesus is using the word "righteousness" in the sense of living out God's vision for life - doing right by God and others.

Scribes - The scribes were the Bible teachers. They were educated in Scripture and would have been seen as teachers and experts.

Pharisees - Pharisees were the people who took the Bible very seriously, their desire was to follow God's laws as closely as they possibly could and they believed everyone else needed to as well. By Jesus' day this often became overly obsessive about the minor details and missed the larger picture.

Now, if you put these three words together, Jesus is calling his disciples to be better at living out God's vision for life than the teachers and the super-religious would have been. At first glance, this would have sounded impossible. How would people just learning the ways of Jesus live better lives than the experts?

The answer is that the experts did not have as much expertise as they thought. When Jesus says "our righteousness must exceed that of the scribes and the Pharisees," he isn't saying that we simply have to try harder. The Pharisees tried really hard. The issue wasn't effort or desire or dedication or even sincerity. The problem was they had missed the heart of the story. So for example, another time Jesus talks about the Scribes and Pharisees he says:

"Woe to you, scribes and Pharisees, hypocrites! For you tithe mint, dill, and cumin and have neglected the weightier matters of the law: justice and mercy and faith. It is these you ought to have practiced without neglecting the others. 24 You blind guides! You strain out a gnat but swallow a camel! (Matthew 23:23-24)

Jesus is declaring that the religious leaders were so committed to following the rules that they even gave 10% of their herbs and spices - your mint and dill and cumin. But the problem is, they had neglected the “weightier matters” like justice and mercy and faith. He makes a joke to help illustrate the point - it is like they focus so much on making sure there are no gnats or fruit flies in their drinks and get strainers and make sure there are no small bugs in the tea, but then go on and swallow an entire camel in the process. They obsess about the minute details and miss the big picture.

Now note, Jesus does say you should have followed the former rules (tithing) without neglecting the other rules (working towards justice and mercy). In other words, all the Old Testament laws still matter. Jesus never tells people to stop following the law. In the Sermon on the Mount he even says, “those who break even the [least] of [the] commandments and teach others to do the same will be considered least in the kingdom of heaven” (Matthew 5:19). Which is why teachers - both back then, and pastors like me today, need to take this so seriously. Jesus’ point is that the laws in the Old Testament pointed to something bigger about God and the world and how to live faithfully. The Scribes and Pharisees had missed the bigger picture and so in spite of their sincerity and dedication they were dedicated to the wrong things.

Living life in the kingdom of God here on earth does require commitment, faithfulness, hardwork and sincerity. But Jesus is saying we need to be committed and faithful to the right things. The next section of the Sermon on the Mount will look at several of these specifics. How can we take the wisdom of God’s laws and apply it to the variety of situations we face every day and over the course of our lifetime? That is what we will look at over the next several months.

Grace and peace,

Pastor Doug

The Session of the First Presbyterian Church of Grimes met in regular session on Tuesday, May 7, 2024 in the Fellowship Hall. Pastor Doug Basler called the meeting to order at 6:20 p.m. The meeting was opened with prayer and a quorum was declared.

Here are some highlights. . .

Building & Grounds, Technology:

Chair, Melodee Grefe

- An e-mail motion was made, seconded, and passed to award Tom Sauer Roofing, Inc., Urbandale, IA, the roofing contract. Estimated cost is \$48,905.60 with plywood at \$65 per sheet. There are soft spots on the Fellowship Hall roof which will most likely add to the estimated cost. Shingle samples were delivered. Pewter is the color choice.
- The insurance company sent a check for \$25,918.70. Our deductible is \$2,500. They held back \$4,062.99, but once we prove that we have completed the work, they will send us the remainder of the money. Fellowship Hall was

not covered because they paid in 2015, but it is believed the money was used to roof the Sanctuary instead of Fellowship Hall. So, the insurance company is paying \$29,981.68 for the sanctuary roof and gutters. The money has been deposited in the Edward Jones Money Market account.

- A motion was made, seconded, and passed to accept the gutter bid from Contract Services of Iowa for \$4,593. The company will remove the gutters before the roofers begin. When the shingles are completed, they will install the new gutters. We need to pay half of the cost for the gutters up front which will be \$2,296.50.
- A discussion was held regarding financing for the roofing cost not covered by insurance. A motion was made, seconded, and passed to pay for the roof from the Building and Grounds Money Market Account and take the remaining balance from the General Fund Money Market (cash) Account. We will put articles in The Gathering Place and the weekly bulletin regarding the roof, and if members wish to donate money, they may

place a check in the offering plate with roof in the memo line. These donations will allow us to take less from the Edward Jones Money Market accounts.

- An e-mail motion was made, seconded and passed to pay \$55 per occurrence to Kyle Rosenberg for lawn mowing.
- The fire extinguishers have been inspected by General Fire and Safety for the year.
- Small dead tree and bush on the east side have been removed by Carl Lee and Rich and Janel DeJoode.
- There is not room for a ramp into the basement because there is not enough incline. As suggested by Roxanne, Melodee will mention a folding ramp to the Committee to see if that is a possibility.
- The B & G Committee is looking for black dirt to level out a couple of areas on the east side of the building. If we can get some dirt for little or no cost, the area would be leveled, grass will be planted.
- The Committee has talked to Keith Workman about painting the vent area above the air conditioning units and the outside door into the room behind the organ. He will put this on his list.
- There was a hole reported in the steel covering on the east side of the building. Brent will see if he can repair it.

Christian Ed/Sunday School:

Chair, Janel DeJoode

- An All-Ages Vacation Bible School will be held on July 9-11, 2024, at 6:00 – 8:00 p.m. Harvest Bible Church will be conducting their Vacation Bible School on the same dates. Pastor Doug will be preparing the curriculum. Carl Lee will be in charge of games. Roxanne will check with Robbin to ensure this information will be in Grimes Living.
- The Governors' Day parade will be on June 8th. Janel has ordered banners for Lyle's truck (4'X6') that will have the capability of putting interchangeable information on them.

to and from church. GVSS has found a ride for him which will begin on May 12th for one month. This man lives on North James Street. Wondering if there is someone in the church who would be willing to transport him to and from church?

- Discussion regarding a group in Grimes looking for church space to worship.

The next regular Session meeting will be Tuesday, June 4th, at 6:00pm.

DEACON'S CORNER

Spring being a tough act to follow, so God created June.

As we welcome this month, we also welcome the beginning of summer, June 21st. Hopefully this season will allow us to enjoy the warmth of sunny days and summer evenings! Our visits continue, making eight home and nursing home visits and a hospital visit. We delivered desserts and helped served lunch at the Homeless Shelter.

We took carnations to Kennybrook to share with residents and employees on Mother's Day. Lap blankets were given to Maggie's Place.

Being together with you to share conversations and laughter is time we thank God for.

May June bring you joy, happiness and love -

The Deacons,
Gai, Robbin, Bev, and Bill

And remember, some of the best memories are made in flip-flops!

We need a new roof!

Earlier this Spring we noticed a leak in the main hallway outside the office door. Upon investigation, it turned out that the Fellowship Hall roof is badly in need of replacing and there has been hail damage to the shingles on the Sanctuary. We had our insurance company send out adjustors to review the damage. Buildings and Grounds and Financial Committees, after looking at several bids, put together a proposal for Session. Session approved the proposal at the May meeting. The contractors for the new roof and gutters are Tom Sauer Roofing, Inc. and Contractor Services of Iowa. The estimated cost is \$53,498.60. We believe there will be additional cost for the Fellowship Hall as all the roofers have told us there are soft spots on the roof. The insurance company will pay \$29,981.68. The insurance company has sent \$25,918.70 and have held back \$4,062.99 until the work is completed. Session has voted to pay for the balance of the repairs from the Edward Jones Money Market accounts. If you would like to help cover some of the cost, please write a check with 'roof' in the memo line and place it in the offering plate. All funds received will allow us to take less from the money market accounts. Thank you!
